

FileMaker Annual Volume Licensing and Annual Site License

BUDGET FRIENDLY SOFTWARE FROM FILEMAKER

The FileMaker Annual Volume License and Annual Site License programs are a great way to get the software you need at a price you can afford. You make scheduled annual payments of just 1/3 of the standard volume licensing or site license price.

- **Predictable budgeting.** Because your annual license is renewable on the same date every year, you can confidently budget.
- **Reduced expenses.** There are no administrative fees and your annual payments may be deductible as an expense. Consult your financial or tax advisor.
- **Increased financial flexibility.** Keeps your cash and credit lines available for other uses

In addition to these benefits, you also get **free software upgrades** during your contract period, making this an affordable way to always have the latest version.

At the end of your Annual contract, you have 3 options:

- Renew annual volume license or annual site license contract.
- Buy standard volume licensing or site license agreement.
- De-install software.
